## Successful 5th Opening **Security and Safety Trade Expo-RISCON TOKYO 2009**

Security and Safety Trade Expo - RISCON TOKYO, one of the biggest trade shows on total risk management in Japan was held during October 21 to 23, 2009 at Tokyo Big Sight. RISCON TOKYO , Asbestos Removal Environment Exhibition 2009 , and Global Market for Photo catalysis, Japan 2009 were held on the same dates and were huge success with about 64,640 visitors all together, including 457 booths from 277 companies.

The year 2009, RISCON TOKYO marks it's the 5th anniversary with special support of Tokyo Metropolitan Government.

RISCON TOKYO introduced forefront products, services, and the advanced technology in the areas of crime prevention, disaster prevention, and the risk management. The exhibition space was arranged into six zones, focusing on six different topics with high interests. Especially, the zone with the topic of "Emergency Measures for New Type Influenza" was the centre of interests among society, and the zone was heavily exposed to various media. Police dog demonstrations were held by the National Police Agency, and the Tokyo Metropolitan Police Department; while ladder truck demonstrations were held by the Fire Defenses Agency at the outdoor exhibition area. In addition, seminars and talk sessions by the opinion leaders from different industries, and presentations from the exhibitors attract many visitors.

Next RISCON TOKYO is scheduled during October 6 to 8, 2010 at Tokyo Big Sight.
